1. The site is a rectangular plot of land, approximately 100m by 50m, situated on the corner of Ward Avenue and 1/1/15. The plot is bounded by Ward Avenue to the north and 1/1/15 to the east. The site is currently vacant and is proposed for development as a residential estate. The development will consist of a series of terraced houses, each with a front garden and a rear garden. The houses will be built on a grid system, with the main road running along the north boundary. The site is located in a residential area and is surrounded by other residential properties. The development will provide a mix of housing types and will be a valuable addition to the local housing market.
